Dementia

Wednesday March 11, from 10-2
at the Corolla Chapel in Historic Corolla Village

According to the Alzheimer's Association...

- One person is diagnosed with dementia every 59 seconds
- 3 out of 5 people will experience dementia in friends or family

This 2-part program will begin with the unique opportunity to experience what it is like to live with dementia through a **Virtual Dementia Tour™**. You will be guided through a simulated experience that can help you understand what it may be like to live with dementia.

After the Virtual Dementia Tour, we will provide important information on

- What is typical vs atypical aging?
- What are the different types and causes of dementia?
- What are the best strategies to work with older adults who are struggling with cognitive changes?
- If I keep misplacing my keys, should I worry?

Bring your questions and be prepared for a lively time!

Snacks will be provided

Register: Please send your name, email address and phone number to our local champion, Joan Normandy-Dolberg at ccseniorinfo@gmail.com
You will receive a Virtual Dementia Tour appointment time and additional information.

Location: Corolla Chapel, 1136 Corolla Village Rd, Historic Corolla Village, NC 27927
